ANAHEIM, CA, UNITED STATES,

EINPresswire.com/ -- School may be back in session, but that doesn't mean your back-to-school shopping is done.

[Mobile Edge](#) continues to make its lineup of laptop cases, backpacks, [student tech](#) accessories, and gaming gear available at discounted prices to

support students, parents, and teachers as ever-shifting pandemic policies open and close schools. In solidarity with those who yearn to look smart, travel smart, and protect their tech during these uncertain times, Mobile Edge continues to offer a 20% off the limited time, sitewide discount on regular-priced items when students, parents, and teachers check out using the code SCHOOL (some exclusions apply).

“

It's always tough for parents to guess what students will need to start the school year. We're expecting greater uncertainty and later back-to-school shopping this year than usual.”

“It's always tough for parents to guess what students will need to start the school year,” says Paul June, VP of Marketing for Mobile Edge. “This year, most classes are in-person for the first time in 18 months, so we're expecting greater uncertainty and later back-to-school shopping than usual.”

In fact, the National Retail Federation expects most back-to-school shopping to continue through September this year. Consumers still hungry for deals on mobile tech and

ways to organize and protect student gear are in luck.
