Savhera is a premium social impact wellness company providing dignified employment to trafficking survivors.

In 2020, Beauty for Freedom partnered with local DFW anti-trafficking non-profits UnBound North Texas, Traffick 911, and Valiant Hearts to provide art therapy to the survivors they serve. The result was a collection of empowering artwork which will be showcased at the event. 100% of the sales of the survivor artwork will go directly to them.

The exhibit will also feature artwork by local Dallas artists

Not.Travis and ThanxZoe. A percentage of the sales from the professional artists will be donated to participating anti-trafficking organizations.

“Unfortunately, there is a lot of misinformation and sensationalization about trafficking. What gets lost is the encouraging and hopeful stories about the strength, courage, and tenacity of the

overcomers. This event is a celebration of new beginnings, of healing, of rebirth," said Bouché.

The event will be held on Tuesday, September 28th, 6-9 pm with a private press preview from 4-6 pm at [The Gallery at the Legacy](#) in Plano.
