

AI Exosphere Announces Acceptance To 'AWS Activate' Portfolio Program To Expand Resources Available To Our Startup

AWS Activate accepted AI Exosphere to AWS Activate Portfolio program with benefits including AWS credits, training, support, startup community forum, and more.

ORLANDO, FLORIDA, UNITED STATES, September 22, 2021 / EINPresswire.com/ -- [AI Exosphere, LLC](#), today announced the acceptance into [AWS Activate](#), a structured package of resources for startups, including AWS credits, training, developer support, startup community forum, and special offers from third parties.

Activate AI Exosphere For HailyAI

AWS Activate bundles resources in packages designed to enable startups of different types to easily and quickly get started with AWS and successfully use the AWS platform to help grow their businesses.

“

Special thanks to the NVIDIA Inception team for helping us get accepted to AWS Activate for startups. Additional power is what we need as we grow HailyAI's capabilities.”

Said Sal Peer, CEO of AI Exosphere, LLC

For AI Exosphere, it is paramount to gain access to technology resources that enable us to quickly and easily get started and scale our business as it grows. Cloud computing allows us to go beyond the often restricted resources we have locally and use on-demand, pay-as-you-go services that can be adjusted as needed while allowing us to focus on what matters – serving our customers and innovating.

"Special thanks to the [NVIDIA Inception](#) team for helping

us get accepted to AWS Activate for startups. Additional power is what we need as we grow HailyAI's capabilities," said Sal Peer, CEO of AI Exosphere, LLC

AWS Activate helps address our current need for technology, support, knowledge sharing, and additional resources that make it even easier to use the cloud to grow our business.
