WMBA Limited partners with CTDI Indices to act as administrator on the MarketDesk platform

LONDON, UNITED KINGDOM, September 20, 2021 / EINPresswire.com/ -- WMBA Limited, one of the first three globally approved index benchmark administrators whose portfolio contains the RONIA and EURONIA indices, and CTDI, the new innovative creator of a range of unique Commodity market indices, today announced a partnership where WMBA will act as administrator for CTDI's custom indices.

WMBA's experience, knowledge, and rigorous application of IOSCO Principles promote index integrity and transparency provides user confidence in CTDI's index products.

The CTDI indices, which can be accessed via MarketDesk, are designed to supply market participants with leading macro-economic insights by benchmarking China commodities futures that influence global trade, including Steel, Grains and Energy. These are just the first of a unique index family to specifically cover commodities markets, but then extend into the brave new world of carbon trading and introducing new transparency into an area of global concern.

A preview of the indices is available at <https://www.marketdesk.com/ctdindices/>

Commenting on what the indices will mean to the marketplace:

“As a longstanding authorised benchmark administrator, with experience of managing critical benchmarks, WMBA Ltd is excited to be able to help bring rigour and world-class governance to vital classes of new indices providing accurate and reliable pricing for the benefit of market participants all over the world.” David Clark, Chairman, WMBA

“These are the world’s first indices that bring insights and visibility to Chinese commodities futures. China is now the world’s largest consumer of commodities playing a central role setting global prices. Our family of Chinese commodity indices help investors and traders benchmark China’s increasing and ever more important demand.” Paul Hsu, CEO, CTD Indices

“We are delighted to be part of the technical delivery and distribution solution for these unique, thoughtful and highly relevant market benchmarks.” Brice Hamon, Founder & CEO, MarketDesk.
