DALLAS, TEXAS, UNITED STATES, September 22, 2021 /EINPresswire.com/ -- Maxine Aaronson, a Dallas Tax Attorney, has been selected to the 2021 Texas Super Lawyers list, her tenth year to be so recognized. Super Lawyers, a division of Thomson Reuters, is a lawyer rating service that evaluates attorneys based on surveys, independent research, and peer reviews by colleagues in the same practice area. Based on this analysis, the Super Lawyers list recognizes lawyers who have attained a high degree of peer recognition and professional achievement. In any given year, the number of lawyers selected to Super Lawyers is limited to no more than five percent of the lawyers within the state.

Upon receiving news of her most recent selection to Super Lawyers, Ms. Aaronson remarked, "Although my main focus is always on helping my clients and their businesses grow and prosper, it is an honor to be recognized again by Super Lawyers." Ms. Aaronson continued, "It is especially gratifying to be honored knowing how much emphasis they place on peer evaluations in the selection process. Being recognized by my colleagues in the tax bar means a great deal to me."
