(New York, NY) Libertarian Party candidate for New York City mayor, Stacey Prussman, has officially announced that she will be supporting a Universal Tax Equity Plan that incorporates an Equitable Basic Income (EBI) pilot plan.

Her website platform page states: "With Stacey's Universal Tax Equity Plan, all income under 32,500 a year is free of city income tax. Stacey is committed to helping New Yorkers stay in New York City with the Universal Tax Equity Supplement (UTES). This Equitable Basic Income pilot program will provide 2,000 full time New York City residents who filed taxes from 2014 to 2019 with \$2,000 a month for 2 years to get back on their feet."

“

It's time for our tax money to go back into the hands of the people. No one working a full-time job should be unable to afford the necessities of living in New York City.”
