EINPresswire.com/ -- Faithfully giving to others and getting out a powerful word of encouragement that will elevate someone else is part of Texas entrepreneur, Rose Mary Tucker's makeup. Raised with strong Christian values marinated in her by her mother, she always remembers to treat everyone with respect, pray and put God first. To this end, Blessties Christian Apparel was birthed in 2015 to glorify God by designing and printing unique spiritual tee shirts and hoodies. Swolle Apparel for men and women, which is only one facet of Rose Mary's business legacy, was created for that purpose.

Like everything that Rose Mary puts her gifted hands to, she is again stealing the show in the fashion world. The women's line, [SWOLLE Queen](#) highlights the power of women of color. We all know that ladies like to be dressed up but there are times when you just want to take it down a notch with something more relaxed looking but still ultra-stylish. Rose Mary Tucker has accomplished this in a sophisticated way with her at leisurewear. She developed the catchy acronym, [S.W.O.L.L.E.](#), which stands for Strength, Wisdom, Overcomer, Loyal, Loving, and Empowering.

“

Represent the colors of the world and the different colors of women of color.”
