"After the success of our nature hikes, we are excited to add leisurely Sip & Strolls to our lineup of outdoor activities. Most of our guests are unaware that Buffalo Bayou winds around the back of our property so we enjoy seeing all kinds of nature here," said Seliece Womble, Campus Director of Public Relations & Marketing. "Guests can enjoy some fresh air and connect while learning about the abundance of wildlife in Texas."

In addition to the relaxing sunset stroll on Saturday evenings, hotel guests can also enjoy an upbeat Nature Hike on Sunday mornings. Kids and parents alike will enjoy a fun walk around the property to learn about the plants, trees, animals, and native species and play in a butterfly garden. Ideal for children ages 5 years and older, Nature Hikes are an energizing way to start the
