

Awning Market Analysis to Reach \$11,043 Million by 2025

Awning Market Trend Analysis, Gross Margin Analysis, Cost Structure Analysis and Forecast to 2025

PORTLAND, OR, UNITES STATES, September 22, 2021 / EINPresswire.com/ -- According to a new report published by Allied Market Research, titled, "Awning Market: Global Opportunity Analysis and Industry Forecast, 2018 - 2025", the global awning market was valued at

\$6,765.8 million in 2017, and is projected to reach \$11,042.7 million in 2025, growing at a CAGR of 6.2%. The retractable awning segment accounted for more than half the market share in 2017 and is expected to witness significant growth during the forecast period.

People have become more considerate toward reducing energy consumption. Therefore, they have started installing fixed or retractable awnings and shades in summer to keep their houses cool. These awnings serve as a cost-effective solution to prevent harmful UV rays from damaging furniture, artwork, and floor in the house.

Top Players:

The key players profiled in this report include Advanced Design Awning & Sign, Awning Company of America, Carroll Awning, Eide Industries, KE Durasol, Marygrove awning, Nulmage Awnings, Sunair Awnings, Sunesta, and Sunsetter Products.

The growth of the global awning market is driven by expansion of living spaces and protection from sunlight, need for beautification of the building, and advances in fabric material. In addition, the ability of awning to increase the utilization of deck, patio, veranda, and garden are

expected to provide lucrative opportunities for the growth of the awning industry. Furthermore, technological innovations, such as manual and motorized retraction mechanisms have fueled the growth of the retraction awning segment. However, unreliable harsh weather conditions hinder the growth of the awning industry, specifically in regions that are prone to heavy snowfall and rainfall.
