B2B GoodFirms is a worldwide acknowledged research, ratings, and reviews platform. It assists in connecting the service seekers with top service providers effortlessly. The companies are listed with authentic reviews and ratings so that the service seekers pick the right partner that fits in their budget and project needs.

The analyst team of GoodFirms closely covers all the agencies utilizing the research process. It includes three main key factors that are Quality, Reliability, and Ability. These elements are segregated into several metrics to evaluate each firm such as determining the years of experience in their specialized area, verify the past and present portfolio, check the online presence and client reviews.

Thus, according to these measures, every firm obtains a set of scores that are out of a total of 60. Therefore, considering these points all the agencies are listed in the catalog of the best software, top development companies, and other firms from various sectors of industries. Currently, GoodFirms unveils the latest catalog of [Top VoIP Providers](#) known to offer many highly advanced, next-generation calling, texting, video, and conferencing features.
