Launched in 2019, the Canada's Top Growing Companies editorial ranking aims to celebrate entrepreneurial achievement in Canada by identifying and amplifying the success of growth-minded, independent businesses in Canada. It is a voluntary program; companies had to complete an in-depth application process in order to qualify. In total, 448 companies earned a spot on this year's ranking.

The full list of 2021 winners, and accompanying editorial coverage, is published in the October issue of Report on Business magazine—out now—and online.

"As we look toward the future, Canada's Top Growing Companies offer both inspiration and practical insights for other firms facing similar challenges," says James Cowan, Editor of Report on Business magazine.
