

GLOBAL WORKSPACE ASSOCIATION ("GWA") ANNOUNCES COMMUNITY MANAGER AWARD RECIPIENTS FOR 2021

WASHINGTON, DC, UNITED STATES, September 22, 2021

/EINPresswire.com/ -- The [Global Workspace Association](#) today announced recipients of the annual GWA Community Manager Awards, which recognize and honor those individuals that showcase exemplary hospitality and go above and beyond to make a difference in their member communities. At the heart of every successful flexible office space is a strong and thriving community managed by women and men who often are the face of an organization, but often are not recognized for their hard work and dedication. That's why the GWA launched the Community Manager Awards in 2019 to recognize these integral members of any flex office operation.

“

At the heart of every great flexible office workspace is a great center manager. The GWA CMAwards are our opportunity to celebrate those individuals who are the best of the best.”

William Edmundson

Each of these managers, both the award recipients and finalists, have demonstrated a commitment to success and go above and beyond to create member experiences second to none.”
