

Holistic Primary Care Expands Team with Experienced Physician Assistant

DOCS Outside the Box!, a primary, urgent, and holistic care medical facility, is pleased to announce Jamie Stevens Jones, PA-C has joined the medical practice.

ST. PETERSBURG, FL, USA, September 22, 2021 /EINPresswire.com/ -- [DOCS](#)

Outside the Box! (DOCS), a primary, urgent, and holistic care medical facility, is pleased to announce Jamie Stevens Jones, PA-C has joined the medical practice. Her primary

responsibilities will be to work with urgent care patients including patients suffering from COVID-19. Some of her other responsibilities will be focused on primary care patients by assessing their health, performing physical examinations, ordering labs and diagnostic tests, and diagnosing and treating patients all while working closely with the practice's physicians.

“

I clearly see the role for preventative medicine and want to share an improved quality of life and well-being for all of my patients.”

*Jamie Stevens Jones, PA-C of
DOCS Outside the Box!*

Jamie Stevens Jones, PA-C brings over 12 years of practice in Hospital Medicine, Cardiology, and Primary Care/ER experience. Jamie received her Physician Assistant degree from Jefferson College of Health Science in Roanoke, VA. Before moving to Florida, Jamie worked in the hospital division of Medical Associates of Central Virginia, Inc./Hospital Associates of Virginia. After personally battling with health issues, she became passionate about alternative and [functional medicine](#). By joining the DOCS

team, she will use her past expertise combined with her passion for functional medicine to grow her experience to help her patients improve their health and achieve positive results.

Jamie has been recognized for her passionate work by receiving awards in OurHealth Magazine for Best Bedside Manner for Advanced Practice Providers as well as Top Performer in Performance Surveys among hospitalists. She is actively involved in several organizations such as the National Health Service Corps, LBJ Tropical Medical Center – Code 500 Committee, Orphan Network monthly contributor, and Passionately Pink Day – National Breast Cancer Awareness

Fundraising Committee.

"I clearly see the role for preventative medicine and want to share an improved quality of life and well-being for all of my patients" said Jamie Stevens Jones, PA-C of DOCS Outside the Box!.

About DOCS Outside the Box!

Docs Outside the Box! is a multispecialty care clinic offering family medicine, urgent care, and holistic care services. The practice was founded upon the principles of patient empowerment, complete wellness, and transformative care. Each patient is empowered to take ownership of their medical care and their life. DOCS Outside the Box! provides guidance to address physical, emotional, and spiritual challenges. DOCS Outside the Box! provides testing for Coronavirus / COVID - 19.
