

CareAdvisors to Co-Present with Neighborhood Family Practice Community Health Centers at OACHC Fall Conference

CHICAGO, ILLINOIS, UNITED STATES,
September 22, 2021 /

EINPresswire.com/ -- "The Importance of Incorporating Social Determinants of Health in Your Delivery System," is the virtual session offered by [CareAdvisors](#) and [Neighborhood Family Practice Community Health Centers](#) at the upcoming Ohio Association of Community Health Centers Fall Conference. Scheduled for Thursday, September 30, from 11 a.m. to 12:15 p.m., the insightful presentation will be co-presented by Chris Gay, chief executive officer of CareAdvisors, and Terrance "Terry" Byrne, MBA, MJ, FACHE, vice president of Health Center Operations at Neighborhood Family Practice Community Health Centers.

"I am proud to have this opportunity to share the research our organization has done on the challenges area providers have faced in accessing resources for individuals and families in need," said Gay. "Terry will speak to the steps his Cleveland-based organization has taken to eliminate constricted access to social services. This is a significant issue that has impacted health centers across the country."

The virtual conference runs from September 30 through October 1. Online registration will remain open until October 1. To register, click [HERE](#).

About CareAdvisors

CareAdvisors provides value-based social care automation to some of the largest U.S. health systems and health plans. The CareAdvisors team previously built one of the largest navigation programs in the nation, helping more than one million Illinois residents enroll in social services

and gain access to resources. More information can be found by visiting the company website at care-advisors.com.

About Neighborhood Family Practice

Neighborhood Family Practice was founded in 1980 in response to a concern that residents of Cleveland's near west side lacked access to primary health care. A Federally Qualified Health Center (FQHC), NFP focuses on providing high-quality primary care in a medical home setting.
