

New Highly Anticipated Book Inspires Readers to Become Lifelong Learners and Explorers

FRESNO, CALIFORNIA, UNITED STATES, September 22, 2021 / EINPresswire.com/ -- Ignite Press announced the release of *Education of a Traveler: Adventures in Learning Around the Globe*, by prolific author, globetrotter, and lifelong learner Bill Yeargin.

The book is available on Amazon at <https://amzn.to/3IPdfDP>

Education of a Traveler follows Yeargin's travels to over 100 countries, his experiences gleaned from the poorest places as well as multiple invitations to the oval office, and the love of learning he has developed because of his adventures.

"There's no greater adventure than embracing life as a learner," says Yeargin. "I hope to help readers expand the way they see the world by sharing a front-row seat to how I've been impacted by both global travel and being a reader. In turn, I hope my experiences and traveler's education encourages others to travel, keep learning, and maybe even expand their thinking a little too."

To celebrate the launch of the book, the Kindle version of the book will be on sale for 99 cents for a limited time.

Bill Yeargin is the CEO of Correct Craft. Under Bill's leadership, Correct Craft has won all their industry's major awards and developed a unique culture of "Making Life Better." A passionate lifelong learner, Bill earned an MBA and has completed post-graduate education at Harvard, Stanford, Villanova, Wharton, and MIT.

He served both the Obama and Trump administrations on cabinet-level advisory councils and Florida Trend magazine recognized Bill as one of "Florida's Most Influential Business Leaders."

Bill has been published hundreds of times, has authored five books including the best-seller Education of a CEO: Lessons for Leaders, and is a sought-after conference speaker.

He and his wife Leigh have two daughters, Erin (married to Ben) and Amanda.
