

PowerPatent at TechCrunch Disrupt 2021

*Visit the PowerPatent Kiosk at
TechCrunch Disrupt 2021*

SANTA CLARA, CALIFORNIA, UNITED STATES, September 22, 2021 /EINPresswire.com/ -- PowerPatent invites entrepreneurs to visit its Kiosk at the TechCrunch Disrupt 2021. Our mission is to help early-stage startups build great [patent](#) portfolios.

PowerPatent Helps Turn Ideas Into Intellectual Property. You can create Patent Applications right from your browser with AI-assisted patent drafting software that really works. The software guides you through the process of drafting your own

[provisional patent](#) applications and [utility patent](#) applications. Design patents and Plant patents are also supported, and Trademark Filing is For larger companies, you can collaborate with your team and build a great portfolio.

“

Intelligent software such as PowerPatent's system helps guide users through the confusing patent application process with full lawyer support if needed.”

Jack Young

From the Startup Battlefield competition to the hundreds of exhibitors in Startup Alley, PowerPatent looks forward to helping tomorrow's big exits and future unicorns. If you're a founder with a product and big visions for your future, PowerPatent's cost-effective self-service patent solutions can help your company.

As part of TechCrunch Disrupt's three virtual days on founders and investors shaping the future of disruptive technology and ideas and startup experts providing

insights to entrepreneurs, PowerPatent looks forward to the ultimate Silicon Valley experience where the leaders of the startup world gather to ask questions, make connections, and be inspired. Come visit our Kiosk at TechCrunch Disrupt 2021.
