**** SOME OF THE ATROCITY CRIMES COMMITTED AGAINST TAMILS WHILE GOTHABAYA RAJAPAKSE WAS SERVING AS DEFENSE SECRETARY ARE:**

* According to the UN Internal Review Report, over Seventy thousand (70,000) Tamils were killed in the first five months of 2009.

* These Tamils were killed due to deliberate and intense shelling and bombing of areas designated by the government as "no-fire zones", where Tamil civilians had assembled for safety.

* Government also restricted food and medicine for Tamils, resulting in large numbers of people dying from starvation and many of the injured dying of their wounds.

* According to the UN Panel Report, the killings and other abuses that took place amount to war crimes and crimes against humanity. Independent international experts believe that there are elements of these abuses that constitute an act of genocide.

* International Truth and Justice Project (ITJP) in February 2017 handed over details to UN of Sri Lankan Military run "Rape Camps", where Tamil Women are being held as "Sex Slaves."

* According to May 2012 report by the British Foreign and Commonwealth Office on Human Rights and Democracy; there are up to Ninety thousand (90,000) Tamil War Widows in the North-East of Sri Lanka.

* Thousands of Tamils Disappeared, including Babies and Children. UN Working Group on Enforced Disappearances stated in 2020 that the Second Highest Number of Enforced Disappearance cases in the World is From Sri Lanka.

* According to independent organizations, Tamil Areas have the Highest Concentration of Security Forces in the World (Ratio: One soldier for every five Civilians).
