

Prescott to discuss CMMC challenges for MSPs

Prescott will discuss the challenges that the CMMC mandate is imposing on MSPs and their Defense Industrial Base clients

UNITED STATES, September 22, 2021 /EINPresswire.com/ -- [Prescott](#), a Sarasota, FL based governance, compliance, and risk management firm, specializes in partnering with MSPs (Managed Service Providers) to deliver compliance services for CMMC (Cybersecurity Maturity Model Certification). They will be leading an interactive presentation at [Taylor Business Group's BIG BIG Conference](#) on September 24-25.

The discussion focuses on the implications of the evolving CMMC regulation on MSPs' business operations and their clients, particularly those who are part of the Department of Defense's Defense Industrial Base supply chain.

Leading this presentation on behalf of Prescott are Jeff Farr and Ryan Bonner. Jeff is the CEO of Prescott with 30 years of IT & Cyber expertise, and former CEO of two established MSPs. Ryan Bonner is a leading authority on CMMC, board member of Prescott, and CEO of [DEFCERT](#), a compliance consultancy that partners with Prescott on CMMC engagements.

The growing veracity and frequency of data breaches has escalated awareness among global organizations regarding the dire need for information security. Prescott's mission is to help organizations navigate the complex and ongoing journey of CMMC compliance.

To learn more about Prescott and how they can help your organization manage the challenges of CMMC compliance and its impact on your organization and clients, please visit their website below.
