

# Divami Design Labs Announces New Webinar

HYDERABAD, TELANGANA, INDIA, September 23, 2021 / EINPresswire.com/ -- The leading design and development agency is planning to host a [webinar](#) on "How Design, Engineering, and Product Go Together."

Today Divami announced a webinar on addressing the most underlying challenges that product companies face while trying to set up a collaborative process between the design, development, and engineering teams.

The webinar will be part of a monthly webinar series that the top design agency is planning. Each webinar will focus on a key problem that the digital industry and its decision makers face on a daily basis.

The first webinar on "Three's party- How Design, Engineering, and Product Go Together" will be hosted on 6th October 2021 at 6:30 PM IST. "With rapidly shifting team dynamics and industry expectation, it is harder for businesses to stick to their goals. This webinar, with expert advice and a live Q&A for attendees, will focus on actionable insights which the attendees can easily follow," said Prathima Inolu, Director of [Divami Design Labs](#) and Host of the webinar

The webinar can be attended free of charge and will take place monthly.
