## Industrial Nitrogen Market Key Highlights from Report

Linde Group and Praxair came together in October 2018 to form a single company with a USD 90 billion market value. In addition, the deal will further consolidate the industrial nitrogen sector by being a multinational power in terms of geographical footprint.

Chart Industries, Inc. completed the acquisition of the intellectual property, facilities, and related properties of the Microbulk cryogenic tank from IC Biomedical in November 2020. (ICB). In addition, to Chart Industries' specialty product offering, the acquisition introduces a modern, powerful engineered food processing tank. In food plants, these tanks are used to drive liquid nitrogen into the process of mixing chicken nuggets.

Asia Pacific accounted for the largest share of global industrial nitrogen industry sales in 2019, and revenue share during the forecast period is expected to record the highest CAGR. Demand for industrial nitrogen for food processing and packaging applications has increased as a result of rising demand for food, powered by a rapidly growing global population in the region's countries, as well as increasing disposable incomes, evolving lifestyles, improving consumer living standards, and rapid industrialization.

Key players operating in the market include Praxair, Air Products and Chemicals, Air Liquide, Linde, Taiyo Nippon Sanso, Cryotec, Bhuruka Gases Limited, Sudanese Liquid Air Company, Cross Country Infrastructure Services Inc., and Canair Nitrogen Inc.

For the purpose of this report, Emergen Research has segmented the global industrial nitrogen market based on form, production technology, distribution and transportation, end-user, and region:

Form Outlook (Revenue, USD Billion; 2020-2027)

Compressed

Liquid

Industrial Nitrogen Market Production Technology Outlook (Revenue, USD Billion; 2020-2027)

Cryogenic Fractional Distillation

Pressure Swing Adsorption

Membrane Separation

Industrial Nitrogen Market Distribution and Transportation Outlook (Revenue, USD Billion; 2020-2027)

Cylinders

Bulk

Tonnage or Pipeline

Industrial Nitrogen Market End-User Outlook (Revenue, USD Billion; 2020-2027)

Metal Industry  
Food and Beverage  
Oil and Gas  
Chemical  
Electronics

Industrial Nitrogen Market Industrial Nitrogen Market Regional Outlook (Revenue, USD Billion; 2020–2027)

North America  
Europe  
Asia Pacific  
Latin America  
Middle East & Africa

The industry experts have left no stone unturned to identify the major factors influencing the development rate of the Industrial Nitrogen industry including various opportunities and gaps. A thorough analysis of the micro markets with regards to the growth trends in each category makes the overall study interesting. When studying the micro markets the researchers also dig deep into their future prospect and contribution to the Industrial Nitrogen industry.
