The team at the Jenkintown Mattress Warehouse location understands that shopping for a mattress can be daunting. With so many choices, it's hard to know where to start. This is where technology comes in.

Just like all Mattress Warehouse locations, the Jenkintown location features the bedMATCH[®] sleep diagnostic system. This patented piece of technology is used to help Mattress Warehouse customers identify the mattresses that are right for them. It uses a variety of measurements and calculations, along with information provided by the customer to create a custom profile. Once the diagnostic process is complete, the customer has a narrowed-down list of the mattresses that are ideal for their unique body type and support needs.

Each Mattress Warehouse store carries the latest in mattress models from such top brands as

Aireloom, Beautyrest, Casper, Cheswick Manor, Nectar, Kingsdown, TEMPUR-Pedic, Serta, Sealy, and more. Mattress Warehouse also sells a wide range of sleep accessories, pillows, sheets, and protectors from Bedgear, Sealy, TEMPUR-Pedic, and more.

Mattress Warehouse of Jenkintown is located next to the Richard Wall House Museum and the Widener Mansion.
