The Slot Machines in the Route Service Industry License and the Casino Service Industry License are essential to obtain the authorization to commercialize in Puerto Rico. [AXES](https://www.axes.ai) will now offer and integrate its Regulatory Monitoring System, its Casino Management System and its Route Management System in the Puerto Rico market.

"The Puerto Rican market is one of the highest potential markets in the USA", stated [Earle G. Hall](#), President & CEO of AXES. "The PRGC is focused on creating a world-class, legitimate gaming market, and AXES is very excited to have obtained these two gaming supplier licenses at such a strategic moment. AXES offers a fast, affordable and powerful path to legitimacy, transparency and traceability through data monitoring, cashless, responsible gaming and anti-money laundering to name but a few of the hundreds of applications and functions in the AXES Cloud. We are very excited to offer our expertise and applications to this promising market."
