prompted, enter meeting ID 848 3728 5070 and enter passcode 72271. This will give you full access to the event, where you can watch live as Dr. George C. Fraser highlights the dire need to revitalize Africa for Africans.

"Due to a severe lack of fundamental opportunities...too many of our young people in Africa are forced to believe they have no choice but to leave the continent to supposedly greener pastures abroad. Together, we can reverse this trend, help Africa keep her homegrown talent at home, and finally end Africa's Brain Drain by banking Africa's Brain Power, Brain Capacity in a repository called Africa's Brain Bank and making it accessible and available to all people of African descent,"
-Rev Pam Fomung, Founder.

A key priority of ABB is the promotion of educational attainment by African and African Diaspora Children, with emphasis on Science, Technology, Engineering and Mathematics (STEM). In
