GINBOX BOARD lets you share your information with one click

In today's world, sharing information online is a

prerequisite for every individual. If you run a business, you may need to share your product details with your clients, or if you are looking for a job, you may need to submit your curriculum vitae and work samples to your employer. Similarly, if you are in a service industry, you may need to showcase your events. From finding prospective leads to growing your connections, the list is endless where you need to share your personal and professional details. This calls for searching through numerous documents stored at different places and then uploading them vigorously. However, with GINBOX BOARD, you don't have to do this repeatedly. You can create your board and save all the required details under it. So, whenever you need to share your information with anyone, you can share this board for the same. This one board will fulfill all your purpose. Save your energy, save your time.

Create your GINBOX Smart Address and your BOARD in a few easy steps

Log into Ginbox.io and convert your long physical address into a short, smart address. Like creating your email id, you can create your Smart Address using 8-10 alphanumeric characters. This one code will represent both your address and your board exclusively. You can use this Smart Address for your friends and visitors to easily find you and check out from e-commerce portals quickly and smoothly. Through your BOARD, you can selectively share your details from anywhere around the world. You can save your profile, resume, marriage details, minutes of a meeting or a party, product, or outlet details. This board, which is easy to locate offline, can be

used by any business, shops or outlets, organizations, companies, political parties, and government bodies. Create your GINBOX BOARD with Smart Address and grow your brand and business.
