Hailing from Rochester NY, RIGZ assembled the members of Da Cloth to not only flood listeners ears with musical greatness, but also to be a representation of how a collective can come together, support, test, and push each other to higher levels. It is undoubtedly about the passion for the music and the culture, but it must be noted that their business acumen is key to their uprising.

RIGZ's last project, "Wake Ups" was released on July 23, 2021 and available on all streaming platforms. It features the likes of Ransom, and Da Cloth members Mooch, Rob Gates, MAV,

Drapeau Noir

Times Change, Illanoise, & Symph. The project highlights RIGZ fine-tuned ear for beat selection as well as his skillful storytelling ability. It is no wonder that his introspective and thought-provoking rhymes have fans excited to see what he puts out next.
