- About European IT & Software Excellence Awards
A leading pan-European contest for ISVs, Solution Providers, and Systems Integrators and their vendor and distributor partners, the European IT & Software Excellence Awards reward excellence in software development among European IT and telecommunication solution providers.
The European IT & Software Excellence Awards 2021 is the 13th edition of the awards, where companies from across Europe demonstrate their ability to deliver innovative IT solutions to clients.
The 2021 awards are split into the following four categories.
•⊞or MSPs, VARs, and integrators, with attention given to the solutions they have developed
•⊞or application developers and ISVs, looking into the innovative solutions they have created over the course of the year
•⊞or suppliers, highlighting those vendors, distributors, and service providers that strive to support their partners in achieving excellence
•⊞or remote working solutions that highlight the best remote working tools for collaboration and task management (new addition in 2021).
IT Europa will announce the winners of each category at the European IT & Software Excellence Awards Dinner in London on October 19, 2021.
