

World's Leading Cocoa Supplier Achieves BeVeg Global Vegan Certification

Rizek Cacao, the first fully integrated post-harvest cacao processing center, has certified vegan its process.

SANTO DOMINGO, DOMINICAN REPUBLIC, September 27, 2021 /EINPresswire.com/ -- Kahkow chocolate bars from Rizek in the Dominican Republic redefine the standard for chocolate factories everywhere.

Rizek Cacao, the first fully integrated post-harvest cacao processing center, which makes the ingredients for the world's finest chocolates, has [certified vegan](#) its process. Now, buyers and end users can purchase and make an official [vegan label](#) claim on their chocolate bar packaging, assuming the other contributing ingredients also pass the certified vegan process.

“

We believe in certifications because they represent a true commitment to a system of values and good practices that are crucial to the sustainability of the cacao sector”

as relayed by top management

Rizek Cacao Awards

Since 1905, Rizek Cacao has been known for its passion in cacao production. Their farms, located in the heart of the Dominican Republic, are distinguished by the excellence of their genetic material and their extraordinary post-harvest treatment.

Rizek Cacao is ideologically and pragmatically committed to the protection of the forests of the Dominican Republic and environmental balance as a whole.

Kahkow introduced distinctive recipes in the gourmet chocolate industry by being the first in the world to

produce certified organic and certified vegan chocolate at the place of origin.

These chocolates have won several awards.
