

Scerbo Physical Therapy & Sports Rehabilitation is proud to announce the addition of □Dr. Frankie Goris to its clinic.

Dr. Frankie Goris is the latest physical therapist to join the team at Scerbo Physical Therapy & Sports Rehabilitation in Edgewater, New Jersey.

EDGEWATER, NEW JERSEY, BERGEN COUNTY, September 27, 2021 /EINPresswire.com/ -- [Dr. Frankie Goris, PT, DPT](#), is the latest physical therapist to join the team at [Scerbo Physical Therapy & Sports Rehabilitation](#) in Edgewater, New Jersey.

Dr. Goris completed his undergraduate education at Rowan University in Glassboro New Jersey, receiving his Bachelor's in Biology and then graduating with a Doctor of Physical Therapy degree from Rutgers University. Prior to becoming a physical therapist, Dr. Goris became a certified personal trainer through the American Aerobic Association International and International Sports Medicine Association.

During his Doctoral studies, Dr. Goris accumulated hours treating patients in various settings such as □inpatient hospital acute rehabilitation, outpatient orthopedic settings, and an outpatient cancer specialty setting. His primary physical therapy and rehabilitation interests include sports injuries, orthopedics, and post-operative programs as well as geriatric rehabilitation.

Growing up in Fort Lee, New Jersey as an athlete, Frankie competitively ran track & field, played baseball, basketball and eventually went on to play football in college. As a former collegiate athlete and current fitness enthusiast, Frankie continues to maintain his athleticism through his knowledge of strength and conditioning as well as a consistent exercise regimen.

Having experienced injuries that required surgeries, he was able to work closely with physical therapists to rehabilitate back to performing high-level activities such as aerobic exercise and recreational sports. During this time, Dr. Goris realized the value of the physical therapy field and

Dr. Frankie Goris, PT, DPT

developed a passion for helping others rehabilitate through injuries of their own.

He joins the Scerbo PT team of dedicated physical therapists and caring clinical staff at their state-of-the-art facility located at 725 River Road, Suite 60, in Edgewater, NJ.

To make an appointment with Dr. Frankie Goris, call (201) 941-2240 or visit scerbopt.com.

[About Scerbo](#): Scerbo Physical Therapy & Sports Rehabilitation is a full-service orthopedic and sports rehabilitation clinic. The practice employs the latest technology and evidence-based research to help patients achieve their goals. Scerbo Physical Therapy & Sports Rehabilitation specializes in adult and pediatric rehabilitation acquired as the result of various conditions including orthopedic and athletic injuries, joint replacement surgery, neck and back surgery, arthroscopic surgery, high-level neurological disorders, and post-cardiac incidents. The practice is also expert in preventive healthcare offering pre-surgery rehabilitation, athletic injury prevention techniques, ergonomic workplace, and home safety assessments and programs for sports strength and conditioning, pre and post-natal, and back to work.
