SHERIDAN, WYOMING, UNITED STATES, September 27, 2021 /

EINPresswire.com/ -- MealBetix.com is a Holistic Lifestyle Company that is home to The MealBetix Lifestyle, which focuses on eating 100% Organic every day.

Founded in late 2020 by Food Scientist, Dr. Darren Wayne, aka The Food Guru, The MealBetix Lifestyle is the ultimate clean food lifestyle and therefore perfect for anyone wanting to improve their health without having to diet.

“

Everything out there is processed and filled with unhealthy ingredients, so the raw vegan for weight loss or to maintain your health is vital for staying healthy and living longer.”

Dr Darren Wayne, aka The Food Guru.

The MealBetix Lifestyle focuses solely on eating food that was grown in the last 100% Organic soil left here, in other words, is 100% clean, free from all pesticides, herbicides, artificial fertilizers and of course no GMOs.

“After spending years searching for any soil that wasn’t contaminated, I finally found it, but just a little bit, and this is where The MealBetix Lifestyle was born.”

Pollution has contaminated everything around us, especially the soil, so just to find a little bit of soil left here that is still clean and pure, had been a very long and

extremely arduous task to say the least.
