EINPresswire.com/ -- [NobelBiz](#) is launching its [8th episode](#) from Season 2 of the First Contact Podcast: Stories of the Call Center.

Host Christian Montes welcomes Daryl Gonos (co-founder and CEO of Workforce Management Group) to dive

deeper into workforce management for contact centers, with one of the pioneers of this type of enterprise solutions.

“

Adherence is just a data point. It's really how you use it and how it is part of your culture. You have to understand that adherence is the kind of metric that needs to be socialized .”

Daryl Gonos

In this 8th episode, we sit with Daryl Gonos, probably the best person to talk to when it comes to managing agents in this type of space.

After starting out in consulting as the co-founder and CEO of Workforce Management Group, Daryl Gonos and his partners started CommunityWFM in 2005, a modern workforce management solution, specifically tailored to omni channel call centers, currently in use by some of the biggest names in the space.

With this in mind, Christian and Daryl hit it off speaking about all the shifts in workforce mentalities that happened throughout his career, as well as what agents expect from their managers and senior staff today, moving beyond the pandemic.

Join Daryl Gonos, together with host Christian Montes in a 50 minutes episode entitled “The
