Some of UV Gullas College of medicine Affiliated Hospitals where our students would do their internship if they take UV Gullas College of Medicine Admissions 2021 are:

Chong Hua Medical Center: The Chong Hua Hospital is a noble institution that values life over money. This industry leader in treatments is located in Cebu City, Philippines and is also a non-profit organization. Owned by the Asociación Benévolas de Cebú, this was only the third hospital in the country and the first medical center in the Visayas and Mindanao.

This 660-bed facility encompasses world-class facilities and also uses a fully integrated healthcare system to render high-profile customer care. With provisions at par with some of the most respected hospitals around the world, the Chong Hua Medical Center is an 11-storey tall twin-tower building located in the very heart of Cebu City.

The hospital is very famous in cebu region with highly experienced doctors. This is a multi specialty hospital facilitated with operation theaters and equipment.

Vicente Sotto Memorial Medical Center: One of the leading government-owned hospitals, in Cebu City, the Vicente Sotto Memorial Medical Center is an 800-bed facility that was named in

the honor of Senator Vicente Sotto.

Having started off very small, this tertiary medical center houses a training facility and distinguished faculty to impart medical education. Vicente Sotto during his time as senator of the Philippines was instrumental in transitioning many activities but one of his primary achievements was his authorship of the Press Freedom Law also known as the Sotto Law.

The center located in B. Rodriguez Street, Sambag I, Cebu City encompasses many services in its infrastructure. The hospital is well equipped with advanced equipment for treatment for various complicated diseases.

Perpetual Succour Hospital: The University of Perpetual Help System was established around 1968 and constitutes of the Perpetual Help Hospital and a college that trains doctors, nurses and other allied arm professionals involved in healthcare. PSHM is ISO 9001:2015 Quality Management System certified.

Already tutoring more than 40,000 students on an average, this institution is a full-fledged general hospital that employs more than 4,000 teaching and non-teaching staff.

The university and medical center is spread across 9 campuses and has been rendering world-class services over the past 4 decades.

PSHM offers a wide array of services mainly Obstetrics and Gynecology, Pediatrics, Surgical, and Advanced medical treatments. An affiliate of the UV Gullas College of Medicine- UV College of Nursing, PSHM also aids in the training of the future nurses. Continuous renovations and expansions promise a comfortable ambience conductive to modern health care. These and more make PSHM one of the eminent private hospitals in Cebu city today.

CDU Hospital: The original idea of constructing a hospital which could be considered as Modern Medical Center in this part of the Philippines and which would be controlled by the physicians themselves in order to give the utmost in convenience and well-being to the patients had been the brainchild of Dr. Jose Borromeo. He was instrumental in grouping together 30 doctors who organized themselves into the hospital project in the latter part of 1962.

The CDU Hospital is a private medical university that was established sometime in 1975. In 1976, it was officially registered with the SEC or Securities and Exchange Commission and finally, in 2004, the CHED or Commission on Higher Education granted it a University Status. The Hospital offers a variety of Senior High School, Undergraduate, Graduate and College of Medicine programs, CDU Hospital also encompasses impeccable student guidance centers besides possessing various amenities such as fully air-conditioned rooms, 24-hour security, Wi-Fi and CCTV surveillance.
