The "Best of Los Angeles Award" community was formed six years ago and consists of over 7,600 professional members living and working in Southern California. It celebrates the best people, places, and things in Los Angeles with the slogan "No Ads. No B.S. Only the Best."

Gail Thackray is a success coach, author, entrepreneur, and former actress. Since starring in several movies in the early 1990s, owning the most extensive erotic library in the world, publishing magazines, running large websites, and not to mention building a company from scratch in which Forester Research later valued at \$50 million, Thackray is highly accomplished. Now, though, her focus has changed to pursue spiritual teachers. This journey has led Thackray to become a gifted author and speaker.

Thackray has gone on to write multiple successful books, such as "30 Days to Prosperity: A Workbook to Manifest Abundance" and "What's Up with Your Life? Finding and Living Your True Purpose. Her publishing encourages readers to lead a spiritually empowered life.

Gail Thackray has undoubtedly proven herself time and time again in a male-dominated industry, and she recounts her enthralling life in her most recent book, "Running with Wolves." Her past experiences have helped her become an extremely successful, strong, and independent businesswoman.

According to her blog, after many different experiences and endeavors throughout her captivating life, Thackray's goal today is to bring "spiritual principles to the entrepreneurs and business leaders and help spiritual followers achieve material success."
