

Cybersecurity career panel discussion set for October 14 via YouTube Live

ITProTV to host a panel discussion featuring four cybersecurity leaders on YouTube Live on 10/14 at 5 p.m. Eastern

GAINESVILLE, FL, UNITED STATES, October 1, 2021 /EINPresswire.com/ -- Job seekers and career changers looking to break into the cybersecurity field should tune in to a YouTube live panel discussion on October 14 at 5 p.m. eastern as part of National Cybersecurity Awareness Month.

Panelists for "Dirty Little Secrets of a Cyber Security Career"

The panel discussion, entitled "Dirty Little Secrets of a Cybersecurity Career" will feature three experts in the field: John Hammond, Cybersecurity YouTuber and Threat Operations Analyst for Huntress, Ben Finke, CEO of OnDefend cybersecurity, and Daniel Lowrie, Cybersecurity expert and instructor for the ITProTV online IT learning platform. The discussion will be moderated by Don Pezet of the "Technado with Don Pezet" podcast.

“

Events like this help to encourage people to take that first step into a fulfilling and lucrative career.”

Tim Broom, Pres., Virtual Learning/ITProTV, an ACI Learning Co.

"[Cyber Seek](#) recently reported that there are nearly 320,000 cybersecurity job openings in the US alone," said Tim Broom, President of Virtual Learning and ITProTV, an ACI Learning company. "Events like this help to encourage people to take that first step into a fulfilling and lucrative career."

The event will be broadcast on [ITProTV's YouTube channel live](#) and is free to join. The panel will have pre-set questions, but will be taking live questions from viewers. Those who tune in live will be invited to enter to win one of six prizes, including a gift card to [Hak5](#) – an online marketplace for hacking gear. The event is sponsored by ITProTV.
