

On Freedom and Revolt: A Comparative Investigation

Neither man was willing to stand in the presence of tyranny, oppression, racism, exploitation, murder, war and do nothing

PITTSBURG, CA, USA, September 29, 2021 /EINPresswire.com/ -- Carl E. Moyler's *On Freedom and Revolt: A Comparative Investigation* is an academic work that details a comparative analysis on the lives of the American social activist Martin Luther King Jr. and French existentialist philosopher Albert Camus. Published by ReadersMagnet, the book offers a synthesis between the collectivist character of King's revolution for equal rights and the individualist nature of Camus' rebellion against nihilism.

Structured similar to a dissertation, the book outlines the commonalities between the two nobel laureates as they are divided between geographical and temporal factors. Martin Luther King's life is examined mostly through his letters and speeches and Albert Camus via his novels and philosophical writings. Both men lived and witnessed the ravages brought about by the social and political hegemonic structures of their respective time and place; the ouvres of King and Camus are linked together by the concepts of revolt and freedom. The author believes that their combined message contains implications and directions that will provide the foundation for plans of action that will inspire the necessary morality to combat

social and political antagonisms.

The author writes, “This book is dedicated to all those heroes and heroines who have seen and will see life as a daring adventure to be given in the name of service to humanity, to justice and

to freedom." The book is the author's contribution to the never ending quest for a more just, humane and rational world.

Purchase *On Freedom and Revolt: A Comparative Investigation* by Carl E. Moyler today on Amazon and Barnes & Noble.
