Entrepreneur and rapper George Gstar AKA GSTAR4x has announced the upcoming release of Dark World, a fierce, haunting hip-hop EP.

NEW YORK, NY, USA, October 8, 2021 /EINPresswire.com/ -- Businessman, investor, and rapper [George Gstar](#) aka [GSTAR4x](#) is preparing to release his new EP called Dark World. GSTAR4x has built a number of wildly successful businesses over the years and a real estate portfolio that is now worth millions of dollars. He has also been involved in songwriting and fashion designing. His passion for music is what motivated him to become a rap artist.

“My music has been shaped by all of the artists I’ve listened to over the years. From rappers like XXXTentacion to rock legends like Kurt Cobain and Smashing Pumpkins, all of them inspired me to create my own sound and make my own mark on the music industry.”

Though this entrepreneur has accumulated a wealth portfolio worth millions of dollars, he is ready to take the music world by storm. After becoming a self-made multi-millionaire in his 20s, George Gstar knows his way around the business world. But music is a whole new world. In addition to the release of the EP, there will also be a music video to go along with Dark World. This project has taken first place in his life now.

After a rough childhood full of violence and hardships, Gstar earned his success in business through strategic, calculated investments into industries such as real estate. He carries this same vision and tenacity into the music industry. He remarked:

“This EP isn’t just a side project for me. I’m as passionate about music as I am about entrepreneurship. I’ve fought for everything I’ve accomplished in the business world, and I’m willing to do the same to succeed in the music industry.”

His love for entrepreneurship led him to discover other business ideas such as logistics, but he says that music has always been at the top of his list. He has a great many favorites who have influenced his music such as Smashing Pumpkins, Nirvana and Jimi Hendrix.
