

Smart ERP Solutions to Host Webinar on Robotics Process Automation (RPA)

SmartERP will host a complimentary webinar focused on how organizations can gain operational efficiency in Finance through RPA.

PLEASANTON, CALIFORNIA, UNITED STATES, September 30, 2021 /EINPresswire.com/ -- Smart ERP Solutions, Inc. ([SmartERP](#)), an Oracle Partner, announced they will host a complimentary webinar, The Fully Automated Enterprise – Robotic Process Automation ([RPA](#)). The webinar will be Thursday, October 7, 8:30 AM PST / 11:30 AM EST. Interested parties can register [here](#). A recording and slide presentation will be made available to all registrants. A live question and answer session will be available to all registrants following the presentation.

In this webinar, attendees will learn how to:

- Utilize RPA to transform your organization
- Fix broken manual processes
- Integrate RPA with your Finance applications
- Easily scale large and often changing logic systems
- Perform a vast array of key essential tasks; quickly and precisely
- Use RPA with AI to augment tasks that need human intelligence

Automating business processes in Finance is now considered a business imperative. On average, 55% of work activities can be automated using Robotic Process Automation (RPA) technology. RPA enables organizations to power people and automates business operations by leveraging
