exposure to asbestos on a navy ship, submarine or at a shipyard. Financial compensation for a person like this might exceed \$100,000 and the claim does not involve suing the navy. In addition, to get compensated it does not matter if the Navy Veteran smoked cigarettes.

According to the Advocate, "If your husband or dad is a Navy Veteran who has just been diagnosed with lung cancer and before 1982-he had heavy to extreme exposure to asbestos on a navy ship, submarine or at a shipyard please call 800-714-0303 for direct access to attorney Erik

Karst of the law firm of Karst von Oiste to discuss what might turn out to be substantial compensation. Compensation for a Navy Veteran like this will be based on how, where and when they were exposed to asbestos in the navy as attorney Erik Karst is always happy to discuss."
