With back-to-back singles reaching over 5.6 Million Views on YouTube, Jasmine Ortiz is ready to turn up the heat this Fall!

LOS ANGELES, CA, USA, October 1, 2021 /EINPresswire.com/ -- Jacqueline Yvette Public Relations introduces the release of the highly anticipated single and music video for "When It's All Done" by Pop Sensation [Jasmine Ortiz](#). The single and music video will be released on 10/8/2021.

Jasmine shows no signs of slowing down with back-to-back singles reaching over a combined 5.6 million views on YouTube. In her upcoming single, Jasmine turns up the heat in this steamy and electric music video as she elevates past toxic energy and frenemies. In this single, Jasmine hopes to inspire others that have encountered the pain associated with an unhealthy friendship and the drama with this kind of roller coaster relationship.

Frequently, we stay stuck in relationships hoping things will get better, but Jasmine reminds us that we cannot ignore the signs and force a relationship when in reality, we must make our own mental and emotional health a priority. It is very easy to fall into the trap that we must self-sacrifice our happiness to minimize any drama, but there is a blossoming phase associated with undergoing change and making yourself a priority. Motivated to showcase the value of self-worth, Jasmine boldly displays her confidence as a woman and growing onto higher milestones.
