

Bringing Revolution to Visually Impaired Individuals

This is the Revolutionary Solution that makes autonomous grilling, smoking and cooking accessible to everybody

ATHENS, ATTICA, GREECE, October 1, 2021 /EINPresswire.com/ -- [GrillEye®](#) by G&C, is the established brand that manufactures the Top Smart-App Enabled Grilling & Smoking Thermometers in the world.

This is the first company ever, to redesign an IoT device in a way that, not only is accessible to all users, but also brings true revolution to Blind and Visually Impaired Individuals, changing millions of lives around the world, forever.

GrillEye® Max lets you know when your Chicken is ready!

One of the first users of GrillEye® Max, the last gem GrillEye® launched, was visually impaired and agreed to generously work close with the Company in order to indicate what modifications had to be implemented in order GrillEye® Max to perfectly facilitate Blind and Visually Impaired individuals.

“
