

# US Businesses Can Now Launch from Anywhere in the World with e-Delaware

*e-Delaware is renowned for its comprehensive and 100% online one-stop-shop company management platform.*

NEWARK, DELAWARE, UNITED STATES, October 1, 2021 /EINPresswire.com/ -- [e-Delaware](#) is pleased to announce it is supporting entrepreneurs in launching US-based businesses from anywhere in the world, in just a matter of days.

e-Delaware is an online service that enables clients to [set up a US-based company](#) for a low fee through its all-in-one platform. When registering for e-Delaware's highly reputable and popular service, business founders can easily integrate into the US market and get access to start-up infrastructure, venture capital, seamless payment processing, and other benefits, no matter where in the world they are located.

"The opportunity to build global products is accessible now more than ever before," says a spokesperson for e-Delaware. "Our simple online module takes only a few minutes to complete and enables us to establish your new company in just a few days. We will assist you in obtaining your tax ID numbers, EIN, and ITIN, provide you with a US Sim Card, and a US address you can use for your business - and get your documents authenticated with the State of Delaware. This service is beneficial for entrepreneurs and/or existing businesses who are looking to keep up with the demand for online sales and services – a consumer demand that is continuing to grow with the ongoing global pandemic."

Clients who utilize e-Delaware's company management platform will receive a host of features and benefits, including:

- US company formation
- US EIN (Tax ID)
- ITIN
- US Sim Card
- Apostille
- Registered agent
- DUNS
- Post formation documents
- US address setup

- Superior customer service
- And much more
