VertiMax loves supporting the hundreds of thousands of athletes, coaches, trainers, and fitness professionals around the world who make up our wonderful community. They are our inspiration.”

Bryan O'Rourke

The VertiMax Global Summit was launched four years ago and is part of the overall strategy to deliver VertiMax education and resources to the VertiMax community around the world.

VertiMax shifted the annual in-person event to an online virtual education seminar in 2020 due to Covid restrictions. In an abundance of caution and to reach the largest global audience possible, this year's 2021 summit will also be virtual.

Bryan O'Rourke, an operating partner in VertiMax through

his firm Vedere Ventures, had this to say, “ The team at VertiMax really loves supporting the hundreds of thousands of athletes, coaches, trainers, and fitness professionals around the world who make up our wonderful community of folks, young and old. They are our inspiration. We are so happy to be able to deliver these great speakers and education during the 2021 event to them for free.”
