As a graduate of West Point and a former officer in the Army, Dominique learned that the key to her success was proper preparation and persistence. “Being diligent means you do comprehensive quality work from the start so you can avoid long adversarial litigation,” Ms. Braggs stated.

“Asset Protection at Every Stage of Life” was the tagline of Braggs Law Offices, PLLC. Dominique Braggs, founding partner of the firm, exudes a quiet, calming demeanor

which allowed her to put clients at ease and assist them in navigating through difficult situations. While her focus was on estate planning, Dominique has also assisted clients with guardianship, conservatorship, trust administration, and probate matters.

“I'm excited to join DBL because their nationwide reach will allow me to offer more coverage to clients. As a former Army officer, I'm aware of the unique challenges service members and their families face as they make frequent moves across the country. Families, whether military or not, are no longer located in one geographic area, and we can assist them in their estate planning and probate matters where they need us.”
