

Saathi contributes towards Maharashtra flood relief efforts by distributing 100% eco-friendly sanitary pads

Saathi contributes towards Maharashtra flood relief efforts by distributing 100% eco-friendly sanitary pads. #Maharashtra #FloodRelief #SaathiPads

AHMEDABAD, GUJARAT, INDIA, October 4, 2021 /EINPresswire.com/ -- In 2021, Maharashtra was hit by floods like many other coastal states of India. Many people have lost their lives, their home, their families and needless to say, have no access to their basic necessities.

[Saathi](#) has been fortunate enough to join hands with [Goonj](#) to contribute towards rehabilitating these precious lives. Saathi had contributed by giving 50,000 [sanitary pads](#) to Goonj which are 100% biodegradable and compostable for 5000 women!

Saathi biodegradable Sanitary Pads Kit Making by Goonj for distribution in flood hit Maharashtra

These pads have been distributed as a part of the larger family kit where other essential materials were also provided to these flood-affected families. This entire distribution process has started from the month of September in different rural areas of Maharashtra and would be continued for the next 3 months. By mid-September, 3832 packets of Saathi pads had been distributed to around 1916 families in Ratnagiri, Jalgaon, Sangli, and Thane districts.

"Giving is not about making a namesake, but making a difference"

"Not all can make great things, but we can take small steps that make a great difference"

We make a living by what we get, but make a life by what we give.

It is not how much we give, but how much love we put into giving.

Saathi would continue working with Goonj and other NGOs to distribute biodegradable sanitary pads that are good for the body, community, and the environment.
