

Fabby-Do Launches New Website with Online Store Focus

Company is ready for the new normal with store experiences and play at home offerings

DOYLESTOWN, PA, USA, October 4, 2021 /EINPresswire.com/ -- Fabby-Do announces the launch of its new website to highlight its new creation and celebration offerings for kids.

“

We specialize in providing children with a ‘kid-in-a-creativity-candy-shop’ experience and we are now excited to provide kids with the opportunity to experience a little bit of Fabby-Do at home!”

Many businesses have had to re envision their business model over the last year, considering what offerings to provide and how to provide them. Parents are also seeking new ways to provide their children normalcy and enrichment as these have been interrupted for over a year. Creative outlets, enrichment classes, and celebration gatherings have not been available for children and many parents are looking for ways to re-experience these and even bring them into the home.

Fabby-Do is a local establishment that specializes in parties, classes, special events, and walk-in creative

experiences for children. In-store offerings have been modified to enhance safety and Fabby-Do is excited to introduce its unique creation packages to families to experience at home, now available for online purchase.

Experts emphasize the need for kids to develop social skills and creativity and that these won’t happen as naturally in the near term as they did in the past. Children particularly need to find outlets to express their thoughts and feelings and those are lacking more than ever.

“We specialize in providing children with a ‘kid-in-a-creativity-candy-shop’ experience,” said Fabby-Do founder Robin Brackbill. “We continue to offer this amazing experience locally in a safe and welcoming environment and we are now excited to provide kids with the opportunity to experience a little bit of Fabby-Do at home, on their own or with friends!”

Fabby-Do will unveil its new website this month at www.fabbydo.com. The new website will provide details on current and core offerings - in store creation stations and parties - as well as an online store to purchase packages for home delivery. The new website provides the latest store hours for walk-in creative experiences as well as contact information for appointment

requests in a clean and safe environment for a limited number of guests. To learn more, see www.fabbydo.com or follow Fabby-Do on all social media.
