**Northern<sup>®</sup> Composites**

A **KRAYDEN** COMPANY

More than a Distributor,  
We're your partner."

*Wayne Wagner, President  
Krayden, Inc.*

Northern Composites, A [Krayden Company](#), is your source for premium quality process materials. Northern Composites' global technical sales staff, which now includes Krayden and numbers over 60, are available to assist you with your next custom project. The Company has grown by anticipating market trends, delivering quality

materials on time, providing excellent technical help and developing a variety of proprietary products to meet customers' changing needs.

Northern Composites distributes materials for Henkel, Precision Fabrics Group, BGF Industries, PTM&W, ITW, American Fiber & Finishing and Advanced Ceramics Manufacturing, and is a manufacturer's representative for Mitsubishi Chemical Carbon Fiber and Composites. With their partnership with Krayden, Inc., it also allows customers to access adhesives, sealants and specialty chemicals from 3M, Bostik, Dow, Henkel, Huntsman, LORD, Permabond, Plexus, Sika, HB Fuller and more.

CAMX, the composites and advanced materials expo, brings together the leaders of science and business to connect those creating materials and the developers of future products.

Visit the Northern Composites booth at Exhibit Halls D-F — M102 and discover how we can

customize your next project by using our our Process Materials, Kitting and Custom Cutting Services.
