FORT WORTH, TX, UNITED STATES, October 5, 2021 /EINPresswire.com/ -- Stumpy's Hatchet House Fort Worth won Rookie of the Year at this year's Stumpy's Conference. Stumpy's Fort Worth opened right under a year ago and opened in the middle of the pandemic. Opening an entertainment business in the middle of the pandemic has had many challenges but having a business which lets you safely let out the pent-up aggression from the last year makes for a nice outlet. From halting all construction, delaying the grand opening by several months and not having the business Stumpy's originally expected during the first year has made for a bumpy first year in business. Although Stumpy's Fort Worth has been able to reach our community, host fundraisers and give back, and they have really seen people come through to support them and their mission. We have been able to be a healthy release for so many during a crazy time.

be. The location of this area might have you worried about parking...Don't worry plenty of parking in the back. Everyone knows it's best to drink while throwin hatchets, this place has a ton of local beers and a handful of wine selections."

"Our goal of opening a business to support the veteran community and make everyone who enters our doors feel like family and like they are at home has been seen and felt by our customers and that is all we can ask for," said Devin Parks, Stumpy's Fort Worth Franchise Owner.
