

TRIM NuLu, Louisville's Most Prominent Hair Salon, Wins Gold in Titan International Business Awards

TRIM NuLu becomes the only Kentucky company selected for the 2021 Titan Business Awards.

LOUISVILLE, KY, USA, October 6, 2021 /EINPresswire.com/ -- The TITAN Business Awards announced this week the winners of its distinguished 2021 awards to the public. TRIM NuLu was awarded Gold for achievements in the "Beauty and Cosmetics" category. These awards cater to SMEs, large, public, and private organizations, as well as other businesses worldwide.

The prominent high-end Louisville salon was chosen due to the explosive growth it has achieved amid the global pandemic. The downtown Louisville salon was opened in August of 2020 and founded by the Executive team of Eltoro.com along with master stylist Chris Edwards.

Entries in the Titan Business Awards came from 28 countries worldwide, including: United States, Canada, United Kingdom, Singapore, India, and Ireland, to name a few. Over 650 entries were submitted, with only a handful being ultimately selected. Nestlé India, The Dubai Municipality in the UAE, and Budweiser Brazil were among the other award winners in this year's program.

"Our jury panel was impressed by the intensity that was brought on by the entrants' submissions," Ong said. "I hope that we are able to witness the creation of history, where the winners of this season set the bar for future business endeavors to follow."

Chris Edwards, lead stylist and co-founder, said "It's an amazing feeling to be recognized for an international award that recognizes our hard work during the pandemic. My team and I have always known that we have something special with TRIM NuLu. It's great to see our dreams
