**PREEMPLOYMENTDIRECTORY.COM**

*"We Connect You to Business."*

ALPHARETTA, GA, UNITED STATES, October 12, 2021 /EINPresswire.com/ --

[PreemploymentDirectory.com's Article Library](#) has background checking benchmark & trend reports, studies and research to help journalist, reporters and researchers easily find in-depth information about background checking.

“

We created our Article Library with the goal to be a comprehensive source of information for journalists, reporters, and researchers. Our Article Library is second to no other source on the Internet.”

*W. Barry Nixon*

This press release is for journalists, reporters, and researchers who are looking for definitive information about background checks. Many of the major background checking companies like First Advantage, Sterling, HireRight, Cisive, etc. publish their research in annual Trend, Benchmark Reports and Research Studies and we have them in our Article Library. In addition, our [Background Screening Research, Trends and Benchmark Reports](#) category include PreemploymentDirectory.com's annual Employers Background Checking Practices survey results as well as HR.com's and the Professional

Background Screeners Association (PBSA) annual background screening survey.

You will be hard-pressed to find another source that has this type and amount of information in one place.

W. Barry Nixon, Founder and Owner of PreemploymentDirectory.com, is a widely recognized expert on background screening is the co-author of the landmark book Background Screening Investigations: Managing Hiring Risk from an HR and Security Perspective, and a past recipient of the coveted 'Most Influential People in Security award by Security Magazine.

Mr. Nixon said, “We created our Article Library with the goal to be a comprehensive source of

information for journalists, reporters, researchers, and employers who are looking for information on background screening. At this point, our Article Library is second to no other source on the Internet.”

Visit our Article Library today to find what you are looking for or benchmark it for future use.
