

The Premier HealthTech Event in Africa Returns – Secure Your Sponsorship Today

The Healthcare Innovation Summit Africa (HISA) returns on the 17 and 18 November 2021.

JOHANNESBURG, GAUTENG, SOUTH AFRICA, October 6, 2021 /EINPresswire.com/ -- There is simply no other event in Africa like HISA2021 – this virtual congress seeks to join the dots between innovation and practicality, presenting the latest [healthcare](#) technologies and showcasing their practical application and integration into existing healthcare infrastructure.

The graphic features the IT NEWS AFRICA .COM logo and the ITNA logo. The main text reads: "Healthcare Innovation Summit Africa 2021 17 and 18 NOV 2021 #HISA2021 REGISTER NOW!". A large yellow ribbon graphic is on the right. Below the ribbon are nine circular headshots of speakers with their names and titles: Dr Rajeev Rao Eashwari (Director: eHealth Hospital Services, Gauteng Department of Health), Maggie Munsamy (NHI Technical Specialist and Head of CCMD at the National Department of Health), Dr Michael Klipin (Academic, Private Surgeon and Head of Wits Biomedical Informatics and Translational Science), Teshlin Akaloo (Managing Director – Innovative Products at Netcare), Wayne Janneker (Head of Information Technology at CAPRISA), Dr Benji Ozynski (Director of Business Development, WITS Healthcare Innovation), Thayendran Naidoo (Chief Data and Analytics Officer at Emergent Africa), Jean Pierre Horne (Head of Healthcare, Amazon Web Services South Africa), and Abe Wakama (Managing Director, IT News Africa).

#HISA2021 will attract a riveted audience of healthcare policy makers, CEOs, CIOs, CTOs and hospital managers from leading healthcare institutions from across the African continent.

Join [IT News Africa](#) at this year's summit as an attendee, sponsor or virtual exhibitor and you'll have the opportunity to showcase your organisation and connect with influential decision-makers across healthcare and technology from the comfort of your home.
