The fourth installment of the family film franchise will premiere worldwide on January 14

LOS ANGELES, CA, UNITED STATES, October 6, 2021 /EINPresswire.com/ -- Prime Video has licensed worldwide streaming rights (excluding China) for Hotel Transylvania: Transformania from Sony Pictures Animation. The fourth installment of the \$1.3 billion family film franchise will premiere worldwide in over 240 countries and territories on Prime Video January 14, 2022.

Hotel Transylvania: Transformania

Drac and the Pack are back, like you've never seen them before in Hotel Transylvania: Transformania. Reunite with your favorite monsters for an all-new adventure that presents Drac (Brian Hull) with his most terrifying task yet. When Van Helsing's (Jim Gaffigan) mysterious invention, the 'Monsterification Ray,' goes haywire, Drac and his monster pals are all transformed into humans, and Johnny (Andy Samberg) becomes a monster! In their new mismatched bodies, Drac, stripped of his powers, and an exuberant Johnny, loving life as a monster, must team up and race across the globe to find a cure before it's too late, and before they drive each other crazy. With help from Mavis (Selena Gomez) and the hilariously human Drac Pack, the heat is on to find a way to switch themselves back before their transformations become permanent. The film also features the voices of Kathryn Hahn (Ericka), Steve Buscemi (Wayne), Molly Shannon (Wanda), David Spade (Griffin the Invisible Man), Keegan-Michael Key (Murray), Fran Drescher (Eunice), Brad Abrell (Frank), and Asher Blinkoff (Wesley the Wolf Pup).

"The success of the Hotel Transylvania franchise over the years speaks for itself," said Jennifer Salke, head of Amazon Studios. "Audiences around the world have fallen in love with the films created by the brilliant Genndy Tartakovsky, and the latest installment is the perfect ending to an incredible journey. We could not be more excited to work with Sony, Genndy, Jennifer Kluska, Derek Drymon, Selena Gomez and the talented producing team to bring this funny,

heartwarming film to our customers early next year.”

“The Hotel Transylvania franchise has been exceptional for Sony Pictures Animation, spanning nearly a decade and introducing the world to Genndy Tartakovsky's singular vision, and we're so proud of what our extraordinary directors Jennifer Kluska and Derek Drymon have brought to this special property,” said Kristine Belson, president of Sony Pictures Animation. “These films have thrilled audiences and paved the way for so many artists working in CG animation, and now the family saga of Dracula and his daughter Mavis, son-in-law Johnny, and monster BFFs is coming to a close. We are thrilled to work with Amazon to bring this film to families everywhere.”

For the final chapter of the Hotel Transylvania film series, franchise creator Genndy Tartakovsky returns as one of the screenwriters and executive producers. Selena Gomez will also serve as an executive producer, while reprising her role as Drac's daughter, Mavis, alongside Andy Samberg, returning as Johnny. Directed by Derek Drymon and Jennifer Kluska, the film is produced by Alice Dewey Goldstone and executive produced by Tartakovsky, Michelle Murdocca, and Gomez. The story is by Genndy Tartakovsky with a screenplay by Amos Vernon & Nunzio Randazzo and Genndy Tartakovsky.
